# Sherman Thomas Charter High School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest// that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Sherman Thomas Charter High School (STCHS) stands as a unique institution, offering a hybrid standards-based independent study program for students in grades 9-12. This innovative approach combines direct instruction in core academic areas with one-on-one face-to-face visits between students and their assigned certificated teacher. Emphasizing real-life learning opportunities, STCHS encourages students to engage in career development, work experiences, and community service through "Service Learning" courses.

The school's curriculum aligns with Common Core, Next Generation Science, and California State Standards, preparing students for the world of work or further education. The learning avenues at STCHS are diverse, catering to various learning styles. Learning Centers, Online Classes, Independent Study, and the Enrichment Program in partnership with a local community college provide students with a flexible and tailored educational experience. STCHS is fully accredited by the Western Association of Schools and Colleges, ensuring the quality of education delivered.

Guided by a diploma-only approach, STCHS enables students to choose their graduation pathway based on post-graduation plans. Whether pursuing a diploma, enrolling in a four-year university, or opting for a competitive college, students, along with their Supervising Teacher and guardians, make informed decisions regarding their graduation pathway. Bi-annual meetings involving all stakeholders ensure a dynamic and collaborative approach to students' educational journeys, emphasizing adaptability and individualized success.

With a main campus remodel in 2009 and subsequent additions in 2019, the school has 3 classrooms. Despite the age of the buildings, the district's maintenance staff diligently undertakes repairs to ensure the safety and functionality of the facilities. The maintenance teams conduct routine visits, addressing necessary repairs promptly through an efficient work order process, with emergency repairs prioritized to swiftly resolve urgent issues.

Beyond structural maintenance, the school prioritizes cleanliness and hygiene. The principal collaborates daily with the dedicated custodial staff to develop and implement effective cleaning procedures, maintaining a clean and safe environment for students and staff alike. This commitment to cleanliness is further reinforced through regular meetings between site administration and the head custodian, held regularly to address custodial issues comprehensively. This meticulous approach to maintenance and cleanliness underscores the district's dedication to providing students at Sherman Thomas Charter School with an optimal and secure learning atmosphere.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus
the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

At Sherman Thomas Charter High School, fostering parental involvement is at the core of creating a supportive and engaging learning environment. Throughout the academic year, parents and guardians are actively encouraged to participate in various events and initiatives. The journey begins with mandatory attendance at Master Agreement meetings, where parents gain insights into their students' class schedules. This establishes a collaborative foundation for academic success.

To further ensure students' progress, parents play a crucial role in monitoring their child's work completion. If a student falls below the $80 \%$ work completion threshold, parents engage with the Supervising Teacher to develop a personalized reengagement plan, reinforcing a commitment to academic improvement.

Beyond these essential meetings, Sherman Thomas Charter High School provides numerous opportunities for parents to connect with the school community. Back to School Night, Drama Night, Academic Awards Night, Arts Night, and LCAP parent surveys are just a few examples of events where parents actively participate in celebrating their students' achievements and contributing to the overall school experience. The school recognizes the importance of flexibility and offers avenues for involvement through email, Remind, School Pathways Student Information System, as well as through traditional communication methods like phone calls or text messages. This multifaceted approach underscores the school's commitment to creating a collaborative partnership between educators and parents, ultimately enriching the educational journey of each student at Sherman Thomas Charter High School.

## 2023-24 School Safety Plan

Sherman Thomas Charter High School places the utmost priority on the safety and well-being of its students and staff. The school's Comprehensive Safe School Plan, last updated and board-approved in February 2023, stands as a testament to its commitment to maintaining a secure learning environment. This comprehensive plan is not just a static document; it undergoes annual scrutiny during staff in-service dates at the beginning of each school year, demonstrating the school's proactive approach to safety.

The plan encompasses various crucial components, including the Safe School Leadership Team, School Safety Walk, Threat Assessment Management Team, First Aid Responders, and a meticulous Pandemic Influenza Management Plan. With a focus on preparedness, the plan outlines specific phases of a pandemic, a Parent Reunification Team, evacuation plans, threat assessment procedures, and a Bomb Threat Assessment Worksheet. Additionally, it incorporates essential policies such as Emergency Procedures Guidelines, Mandated Reporter Policy, Suspension/Expulsion Policy, Discrimination, Harassment, and Bullying Policy, as well as the Dress Code Policy. Regular discussions and drills are ingrained in the school's culture, with faculty briefed on the plan's nuances during staff in-service days, ensuring everyone is well-prepared to execute the safety protocols outlined. Appendices containing necessary documentation and forms further enhance the plan's practical implementation, contributing to the school's overarching commitment to providing a secure and conducive learning environment for all.

## Fiscal Year 2022-23 Types of Services Funded

At our school, we believe in providing comprehensive support to ensure the academic success of every student. Our tutoring services cover a wide range of subjects and needs. Math tutoring is offered weekly at various times, helping students grasp new math concepts. For those requiring more fundamental assistance, our math intervention program focuses on basics such as multiplication, division, decimals, and fractions. Spanish tutoring is available to support students enrolled in online Spanish courses, ensuring they have the resources they need to excel.

In addition to subject-specific support, we offer various other resources to cater to different learning styles. The Study Hall provides a safe and conducive environment for students to work on their independent study classwork. The Reading Lab targets reading comprehension, specifically designed for English Language learners and those struggling with grade-level reading. Similarly, the Writing Lab addresses basic writing skills for English Language learners and students facing challenges with grade-level writing. Science Office Hours cater to students needing additional science support, while our Special Education program, staffed by certified and classified professionals, assists students with disabilities.

We understand the importance of addressing individual needs, and our services extend beyond academics. The Speech program provides essential services for students with speech-related needs, and the 504 program offers specialized services to meet the unique requirements of certain students. Credit Recovery is available for those looking to bridge credit deficits, ensuring they stay on track for graduation. Our Educational Enrichment Program allows eligible students to be dual-enrolled in
